# Finishes

Een tegel kan verschillende afwerkingen hebben, de finish genaamd. Deze zegt waar je de tegel kunt toepassen, welke oppervlaktestructuur deze heeft en wat de uitstraling is.

# Informatie

Elke tegelserie bestaat uit een reeks formaten, kleuren en afwerkingen. De `V` geeft de kleurvariatie tussen de tegels in een doos aan, de `R` de anti-slipwaarde en de rectificatie zegt of de randen van de tegel recht aflopen of niet.

## Mozaïek
